USAC	<p>Paul,</p> <p>During my investigation I was informed that your Form 486 # 10395 was approved on May 10, the "In Review" status is an error. We are aware that not all SSDs are appearing on the FRN Status tool, but this did not prevent your approved FCC Form 486 from migrating into our invoicing system. Since FCC Form 486 Notification Letter has been issued and the invoicing deadline has now passed, we will require that you file a Waiver with the FCC for you to be able to successfully invoice. Due to this update I will be closing this case.</p>	11/15/2017 10:35 AM EST
